The image shows a puppy in a field of daisies. In the foreground, three bags of Blue Buffalo Wilderness dog food are displayed: a green bag (18% protein), a blue bag (28% protein), and a red bag (25% protein). The bags feature a wolf's head and the text 'WILDERNESS' and 'NATURAL ESSENTIALS DIET'.

Inspired by the spirit of the wolf, these protein-packed recipes will soon contain more meat than ever before to satisfy your dog's wild side, plus wholesome grains for truly balanced nutrition.
